

# Adolescent Masterclass

## A multi-professional one-day conference

### 31st March 2022

Hosted by the Adolescent Unit at the Bristol Royal Hospital for Children.

Venue - central Bristol location close to city-centre transport links.

Topics will include:

**Poverty in adolescence - tackling the problem.**

**Eating disorder update: a pandemic within a pandemic.**

**Medically unexplained symptoms.**

**Other key topics.**

£50 per person for medics.

£30 per person for nurses, AHP's, play staff.

Refreshments and a light lunch are included.

Opportunities to present project/research with an adolescent focus available during the day. Contact us with expressions of interest by 16/12/2021.

All bookings and queries to:
